OBTAINING PERSISTENT LINKS TO FULL-TEXT ARTICLES
WILEY ONLINE LIBRARY JOURNALS

NOTE: Full-text is not available for all Wiley content and, unfortunately, there is no way to limit a search to our subscribed content only. When you run a search, only those results with an open padlock icon next to them are content to which we subscribe.

1. Fully display the article that you are interested in:

2. Copy and paste the full DOI information into a text editor. For the example above it is: https://doi-org.libaccess.senecacollege.ca/10.1002/ceat.200600145

Last Updated: 3 September 2019
The resulting combination for the example above would be:
https://libaccess.senecacollege.ca/login?url=http://onlinelibrary.wiley.com/doi/10.1002/ceat.200600145/abstract and is a persistent link to this specific article, accessible off-campus using one’s Seneca username and password.

4. Test all links before posting them via e-mail, to course webpages, etc.
