1. Find the activity you are interested in:
2. Click “Link to Activity” or “Link to Slide”.

3. Copy and paste the link/URL that appears into a text editor:

4. Add the following to the start of link/URL:

   “https://libaccess.senecacollege.ca/login?url=”

   So in the above example, the complete persistent link to that activity on the muscles of the foot would be:

   Test links before posting via email, to course webpages, etc.
