Please note that it is not possible to create persistent links to issues of WWD’s “Digital Daily” daily publication, only to articles on their main site.

1. Find an article that you are interested in and copy the URL for it from the address bar into a text editor:

2. Replace everything up to including senecacollege.ca with...

So for the above example,

4. Test links before posting via email, course webpages, etc.
